Dear Friends  
I thank you very much  
for your recommendation. We  
are here & very comfortably  
fixed up. A nice big room  
on the first floor upstairs  
with a beautiful view. We  
are just charmed with the  
place. Its wonderful light  
& shade its quaint beauty  
& its remoteness from the  
tride of things. The sky today  
belongs to the summer. We have  
been sitting with our window  
open.

My Dear D. I received your P.C. this afternoon, and was delighted to hear from you. but the last bit has rather whet my curiosity. however, I think this promenade has been built since you were here last. I thin P.C. will interest you & your mother on that pt. but how do you think the English made P.C. compare with the German? I don't think it reflect credit on G. Britain, do you? We are having grand weather here & I will have to tell you when I see you how we have spent our time drilling behind our house

Dear Will

but Cis and I are at Grange.

I am going home this afternoon, but  
Cis is staying a week. Bill & Suzanne  
have gone to London for a week  
so Cis is minding the kiddies. I will send  
your papers off, when I get home. This is  
a pretty place. Talk about swanks.  
There is a lot here. I have been here  
over the weekend. Well no more this time  
trusting these few lines find you well.  
Best love from Mama

To show that we do not forget you, and to give you a glimpse of the main part of this place, if you have never seen it. We think it is as good a place as we could find in Eng. for climate and scenery, but we would rather be in Ips. for religious privileges. There is a pretty little Wes. Ch. here which we have attended several times, but our friends are B. of E. Love from "Good morning Valentine" M. 7 x 4.5.
